## PUBLIC NOTICE

Models: 22-29C BVK  
22-29C OXF

**Montreal, March 23, 2004**— The Dorel Juvenile Group (Canada) and Transport Canada issue the following Public Notice regarding the Cosco Grand Explorer Shield Booster cushion models 22-29C BVK, and 22-29C OXF produced between February 1, 2003 and September 30, 2003. The model number can be found on a label located on the bottom of the seat. Following routine testing, a protrusion was found on the lower portion of the shield. Dorel Juvenile Group Canada believes that the protrusion does not constitute a safety risk. There have been no reported incidents or injuries. This public notice applies only to Canadian products.

Consumers can obtain a free repair kit by contacting the Dorel Juvenile Group:
